

Opening of the Rozelle Interchange

The Rozelle Interchange and Iron Cove Link will provide a new underground motorway interchange to City West Link and provide a toll-free underground bypass of Victoria Road between Iron Cove Bridge and Anzac Bridge.

The network of tunnels includes two ventilation facilities. Ambient air quality monitoring data for the area around those ventilation facilities, in tunnel monitoring data and ventilation outlet emissions monitoring data is available from the link below:

<https://www.linkt.com.au/using-toll-roads/safety/air-quality/sydney>
